24th September 2007

Dear parents/ Guardians

I must thank you for your usual support in enhancing your child's learning. The School turn up is good, considering it being third term and a lot of effort should be put in to ensure that our children are all promoted on merit.

Friday 28th September will be our Partnership Day Celebrations. The objective is to show respect and value for the positive attitudes towards differences in Diversity.

Dear Parents, you may help provide some decorations to our children for the Day. The highlights will be sent to U.K as you may have seen the photographic impressions of that day last year from West Ewell.

Our Head Teacher Rtn. Moses Serwanga is away in Nairobi for a Rotary Conference. We pray he travels well.

Every Class is demonstrating eagerness to hit the targeted standards.

Reception Class

We welcome you from the holidays and we great you in the name of God. We thank you for the helping hand you gave to your child during holidays in doing the holiday package. Maintain the same spirit! We have seriously resumed class work in form of revision. Your child is counting, matching numbers 1-10 and in letters your child can now recite, match and copy letters a-f. Nice time.

Middle Class

Dear parent, we great you. Hope your fine and pushing on well. We thank you for the work done during holidays because your child has shown grate improvement in West Ewell class .Your child was able to recall the work we covered last term. May the almighty God bless you.

Top Class

We are happy with your child who managed to report on time and in good health. We also thank you to have endeavored to help your child in doing the holiday package. Last week we were doing serious revision of the previous term's work. We are to embark on serious studies this week. God bless you.

During my holidays I had a lot of funs like playing football and traveling to places like the Airport and the Zoo. After all those I did my holiday package and after I started playing with my friends. Last week in science we learnt about Food and nutrition, we discovered that food is anything taken in to maintain and sustain our life and all human beings need balanced diet to keep health, in social studies we learnt about How Uganda became a nation. Uganda became a nation as a result of the work of European colonialist. In mathematics we looked about Graphs and Interpretation of data and in English we learnt about people and their nationalities. Bye.

We greet you all in our Lord's name. We thank you for the work done and to keep our pupil health throughout the holidays. We would like to inform you that we are already settled in class with our usual lessons. We wish to alert you that this is our last term in primary one. So, kindly try hard to keep us at school to avoid poor performance. Teachers extend their special thanks to the parents of pupils who tried hard with their children to complete the holiday package. Have a nice week.
