

# Newsletter No 7 -18

Dear parent/ Guardian

October 2007 is now history and we have used the month to evaluate our performance and formulate the new strategic plan for the next years.

I wish to appreciate and thank you for honestly filling our school evaluation form that we sent to you last week. You will find that your observation, advice and new innovations will be incorporated in our strategic planning.

We have now started Examinations and please encourage your child to do home revisions. Please do not make your child/ family miss the father x-mass great fun of this year at your home.

Just contribute shs. 10,000 now and get registered. Contact office for details. Top class children have to celebrate the graduation from Kindergarten to primary level.

KIDS CORNER  
BY TUMWEBAZE CLARITY**

Dear parents, we love you, we ask you to always pay our school fees on time. I am glad about primary three parents because all of us completed school fees. So we can study well and even pass examinations. I am sorry because our friend Gopika, the Indian girl is going back to her country on Saturday. I wish her a safe journey to India. Bye

I salute you dear parents. The week was so interesting. We learnt the things we learnt. In mathematics, we looked at Length. We defined length as the distance from one end to another; we even looked at the units used in measuring length for example kilometers, meters, inches and millimeters. In English, we learnt about money, the units for Ugandan money is shillings (/= or sh.). In science looked at intestinal worms, these include tape worms, hook worms and pin worms or thread worms. Nice time.

**A GO OVER ABOUT THE BOARDERS  
VISITATION DAY:**

**BY BAKAAKI SYRUS P.4**

Dear parents, how nice to chat with you again on this cool morning Monday. On Sunday 4<sup>th</sup> November 2007 it was our Visitation Day, commonly known as V.D. Most of our parents came with a lot of eats and drinks. Some of our fellows were not visited but all in all they still enjoyed the day with others. Parents, always respond positively to such days. Enjoy the month of CHOGM!

**PRIMARY TWO  
BY AHABWE IJUKA IAN**

Last week, in science we looked at insect like grasshopper and locusts, in English we learnt about relationships, in social studies we learnt about child abuse, in mathematics we were looking at adding, diving and subtracting, in Religious Education looked at the new testament and the old testament, in reading we did spelling games and in agriculture we looked at growing of crops and rearing of animals. On Monday 12<sup>th</sup> November 2007 we are going to do examinations.

**PRIMARY ONE**

Last week, in mathematics we looked at algebra, we found out that if given  $4 + \square = 10$ , you subtract the number given (6) from the answer (10), therefore it will be  $10 - 6 = 4$ . What you get will be the answer to be put in the box, which is 4. In English we tackled compositions where pupils could talk and write about themselves. Some of the compositions have been included in this News letter. Take time and read them!

**A composition

I am a son of Mr. and Mrs. Betty Benon. I like my father; I live at Kasokoso, and my brother Aine Darwin is in Top class at Golden Bell. I am in P.1, I am six years old and my friend is Ian. I have no sisters.

**A composition  
By Kantinti Rebecca P.1**

I live at Kireka. I have one sister and one brother. I love my teacher, my mother and father. I have a friend at school, she is teacher Florence. I am seven years old. My brother is one year old and my sister is three years old.

**Middle Class**

Greetings from West Ewell members, in the course of the week your child learnt words of the syllable “da”. For example dad, dance and dam while in learning area two we managed to teach your child about different foods in the market like pineapples and Oranges. In mathematics, your child learnt how to add objects from 1 – 6 and also looked at things used to clean face for example water, soap and face towel .We are glad to see that your child is doing well in all learning areas. God bless you

**Top Class**

Last week, in learning area five we looked at words of long sound “ee’ and ‘aa” for example knee, sheep, peel, teeth, Leal, read and lean. In learning area four we have been looking at addition of numbers lone, subtraction of numbers and objects are glad o inform you that through out the week your child’s performance was promising.

**IMPORTANT TO NOTE:**

We are kindly reminding parents/guardians of Top Class members to contribute **money** for the Gowns, so that we can organize them in time to avoid inconveniences. Looking forward to, receiving your positive response. Have a nice week.

**Reception class**

Last week, we were grateful with the way your child did the activities in class. For example, your child can now count and match numbers with pictures. Relevantly, your child can also say letter sounds and show actions properly. Teachers of reception class; we are so happy because our set goals and objectives are partially being achieved. It’s so lovely to see children happy all the time with their class activities.

**The following names are of children who performed and behaved very well during the week.**

- P.4**
- ✓ Nansamba Clare
  - ✓ Kagimu Shamuran
  - ✓ Bakaaki Syrus
  - ✓ Kakembo Moses
  - ✓ Nalunkuma Bridget
  - ✓ Arinda Dorothy

- Reception Class**
- ✓ Natukunda Lindsay
  - ✓ Senkandi Faisal
  - ✓ Nalumu Ethel
  - ✓ Nsubuga Rebecca
  - ✓ Mubiru Charles
  - ✓ Muhumuza Henry

- Middle Class**
- ✓ Nanyange Drucilla
  - ✓ Kajjumba Hellen
  - ✓ Ssegawa Rymond
  - ✓ Batte Arthur
  - ✓ Mutio Bless

- P.1**
- ✓ Mbarak Med
  - ✓ Mangoobi Sarah
  - ✓ Jumba Benjamin
  - ✓ Nsubuga Raym
  - ✓ Oskei Marvin
  - ✓ Kagoma Lynette
  - ✓ Mulindwa Jesse

- Top Class**
- ✓ Okol Nicholus
  - ✓ Atwiine Praise
  - ✓ Nerima Hannah
  - ✓ Opolot Elisha
  - ✓ Nagawa Ann
  - ✓ Nakyajja Asumpter

- P.3**
- ✓ Tomusanga Jacob
  - ✓ Mwanje Marvin
  - ✓ Ssekanjako Maron
  - ✓ Tumwesigye Ronaldo

- P.2**
- ✓ Kayongo Andrew
  - ✓ Asimwe Anitah
  - ✓ Atim Jeal
  - ✓ Nanyonjo Priscilla
  - ✓ Kanyi Tracy

- P.5**
- ✓ Namagga Swabrat
  - ✓ Ssemugenyi Solomon
  - ✓ Alazewa Phillip

**SANTA CLAUSE**  
**(Father Christmas) Programme 2007**

Hoo hoo hoo, Christmas is around the corner and this time round, Father Christmas will be visiting individual homes to give out Christmas gifts. This may include other family members who would wish to share the surprise.

Please contact the office for registration and more details or call **0782 - 329 587**
