

Dear parents/Guardians

Greetings. I wish to remind you that there will be a gift to your child if proved that there is no day indicated as absent this term. This is made to see that absenteeism is reduced and your child gets a full learning package of the school term. Swimming lessons are on once a week and I hope your child likes it.

If you know that you have tuition balance please, make good as that will give us a good service delivery. **Belated Mothers Day:** This year mothers` day found us in holidays and yet at school children celebrate it in our style. On Friday 8th June is the day chosen. Your child has to pay 2,000/= and comes to school in best wear. If you feel you are unable to pay that much, then let your child come in our school uniform. One parent MRS Gladys Kaweesi has accepted to come and officiate the day. Thank you Gladys.

Middle Class

Last week, we learnt about letters and their formation from A-P. We also looked at things in our environment, specifically the house and some parts of the house like the wall and the door. In mathematics, we learnt how to count, write numbers and we also drew some of our family members like the mother and the father. We are so grateful that your child was able to do all the activities well except a few who still need more time to catch up. MAY GOD BLESS YOU.

Kids Corner Primary four By Kakembo Moses

In social studies we learnt about economic activities in our district, we said that they are activities done by man to earn money, activities like modeling and trading. In English we learnt about writing requests from commands. For example "Tell Amina to carry a bag"- Amina can you carry the bag. In mathematics we learnt about addition and subtraction of mixed fractions with the same denominator and also addition and subtraction of proper fractions with different denominators. In RE we learnt about the early church, we saw that the early church was founded by Jesus Christ. Bye

Top Class

Greetings from top class members, last week in learning area "four" we looked at sets, making sets, matching sets and naming sets. Also in learning area "five" we further went ahead and looked at capital letters of the alphabet, syllables of "a" sound and words of "a" sound and they constructed simple structural sentences. All in all, we thank you for the good care and support your offering to your child. However, our last week's performance was tantalizing. Please, give your child a helping hand in doing the home work we give them for better results. GOD BLESS YOU.

Primary Two

It has been an interesting week; because we managed to learn the following. In mathematics we looked at fractions, in science we learnt about Immunization and immunisable diseases like polio, tuberculosis and tetanus and in English we looked at conjunctions and prepositions. Encourage your child to bring back the home work books. Thank you.

Primary Three By Sava Marie

In mathematics we learnt about about divisions and using long division, in English we learnt about singular and plural pronouns for example box- boxes, mouse-mice and deer-deer, in science we looked at school garden. Bye

Primary Five.

By Namagga Swabrat

On Thursday after lunch we had an interesting film that was about conditions needed for germination to take place and even we looked at our five senses like hearing. Bye

Reception Class

The week was so grateful because your child did a recommendable work for example he/she can now count from 1-10, write from 1-6 and match correctly. We thank you to have calmed down the problem of absenteeism of your child. Well done.

Primary One

Dear parents, we greet you all in the Lord's name. We wish to inform you that we are now settled for term two work. We have five themes to cover of which we are now through with one, that is our community. Nice time.

The following are names of pupils who performed and behaved well during the week.

Middle Class

- Nanteza Vanessa
- Okurut Gabriel
- Kajjumba Hellen
- Kabanda Timothy
- Nasirumbi Anna
- Bwire Joan

Top Class

- Heisa Shadia
- Okot Ronney
- Nsubuga Ramz
- Nagawa Ann

Reception class

- Katerega Mark
- Kedi Sylus
- Muheirwe Ian
- Lubwaama Eric

P.2

- Atugonza Joel
- Bantu Regina
- Kayongo Andrew
- Asauru Hannah
- Nakagimu Sharuat
- Were Faith

P.3

- Clarity
- Tumwebaze Omoding Wyclief
- Nantogo Tracy
- Gopika Joshi
- Sava Marie
- Namata Immaculate

P.4

- Tumwebaze Chelsea
- Apiny Rebecca
- Twezire Dorothy
- Kakembo Moses
- Mubarak Latitt
- Bakaaki Syrus

P.5

- Alazewa Phillip
- Ssemugenyi Solomon
- Namagga Swabrat
