Dear parents/ guardian

Happy New Year! It is great to see your child back for yet another academic year. As you would expect, Reception class (three year group) did find the first day at school, a great night mare. A number of them have now indicated that they are emotionally and socially ready to start the main stream curriculum of ECDC.

All our dedicated team of teachers is back for our children. There is a great effort now to make our children understand our school **Golden Rules, we are training them to: Be kind and gentle. Be honest, be polite and do the best.**

Our two new classrooms are now in use and our children sound very happy about this new learning areas created.

We will continue to strive to make our school a comfortable learning environment for the enjoyment of both children and teachers. More news will be coming in subsequent weeks.

Thank you for choosing our school to be responsible to educate your child

GOOD NEWS

As requested by some parents, it's now possible that children of willing parents from P.3 - P.4 can attend Saturday lessons from 8:30 am - 1:00 pm here at a fee of shs. 3,000 per child every Saturday. A child should come with packed snacks or buy from the school canteen. Parents are expected to transport their children to and from the school.

Reception

Greetings from reception class! We would like to welcome all those parents who have entrusted us by giving us their children. This week has been a hectic one since our children, it's their first time they are in a new environment but with time we believe we will settle it down. So settle at home and feel calm!

Middle class

Dear parents, greetings to you all. We thank God for having taken us through the long holiday and we welcome all our children back to school. This week we have been doing some bit of revision of what was done in reception class. We also did some exercise of learning our friend's names and the activity was interesting. Our children have also settled and are ready to learn new things in their new class. We kindly request for an absolute co-operation like never before. Happy New Year!

Top class

We would like to welcome back our children from the long holiday. And we are happy to inform you that the turn up has been so good. This week we have been welcoming our children and having some bit of re vision and we happy to inform you that our children are eager to learn. Long live Golden bell!

An article how, I spent my holiday.

Dear parents, I hope the holiday was fine and interesting. I would like to say happy New Year to all of you, parents and your children. The holiday was so interesting but sort of bad because some of us were ill during the holidays. I went to my Aunt's home for her graduation party, we were all happy to see her in a graduation gown. Besides, school is also good and interesting, Once again I wish you a happy new year.

Dear parents how are your lives and homes. In my holidays, I went to Jinja and visited the river Nile Bridge and the Owen falls dam. Jinja is a nice quiet and peaceful place. Parents if you want your children to learn more about river Nile and the Owen falls dam take them to Jinja and Golden bell kindergarten and primary school.

What we have learnt since the term began. In mathematics we learnt about sets as our first topic, Food and Nutrition in science, it is nice and interesting. Then in Social studies we are learning about Location of places. This topic is about Districts and in P 3 we were learning about our sub-country. In Agriculture we learnt about Seed germination. Bye

The following are names of pupils who performed and behaved well within the week.
