

Newsletter No 7 -09

Dear Parents/ Guardians,

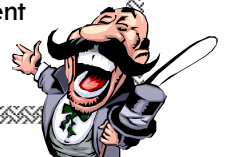

I greatly thank all parents who spared time to come and attend the class visitation. You must have realized how useful it is and rewarding to our children's learning. For those who missed there is an opportunity of knowing what transpired by visiting the office.

School Tour:

We hope to take our children to Entebbe Airport and Didi's world Amusement park on 10th August 2007 and each child shall pay 12,000/= as usual. Money is collected by the school secretary Mrs. Maale Robinah.

Science project with our partner school in England:

Our children have embarked on a science project together with our partner school in England (West Ewell Infants and Nursery School). The project is about getting to know insects in our schools' compounds. Through observations children will know and record a number of scientific facts and share the findings which will lead them to draw correct conclusions and connections. Above all they will appreciate Science lessons and develop the sense of preserving nature as a basis of Environment protection.

Middle Class

Greeting to you parent. Last week in English we looked at words like an eye, a cat and an apple. We also went ahead to name things found in our sitting rooms, read and matched the pictures correctly. We also filled in the missing letters for the words mentioned by your child and your child was able to do it well. In mathematics we learnt number words; zero, one, two, three, four and five. We are very impressed with the performance of your intelligent child. God bless you.

Top Class

Greetings to you, the week has been marvelous. In learning area five we looked at "O" sounds, words of "o" sound and made simple structural sentences. In learning area four we learnt about comparing whereby your child looked at various comparisons like tall and short, fat and small, light and heavy and clean and dirty. And in learning area three we looked at animal's homes like a man lives in a house, a pig lives in a sty and a rabbit lives in a hatch. Nice time.

Kids Corner

Primary four

By Tumwebaze Chelsea

In SST looked at how Law and order is kept in our district, we went ahead and looked bodies that enforce Law and order like the Uganda police and the prisons. In science we looked at changes in weather and we defined weather as the daily conditions of the atmosphere at a given time and at a given place. In English we looked at seasons and crops. We said that there are two seasons in Uganda that is dry and wet seasons. In R.E we looked at St. Stephen as the first martyr because he was stoned to death due to his faith. We defined a martyr as person who dies for his faith in God. Die for your Religion!

Golden Bell Kindergarten and Primary School

On Thursday 21st June 2007 we did mid-term Examinations. We started with mathematics and science which we almost passed highly. The next day we did English and SST. Enjoy the week.

Reception class

Dear parents, thank you for the great work you are doing over there. Last week in mathematics we learnt how to circle the correct number from zero to ten (0-10). In English we still identified, copied and wrote letters ABCDEFGHIJKL and M. We are very happy that your child was able to do the given activities well and we hope with your endless support your child will do more than that. Enjoy the week.

P.3

By Adeke Tracy

In English we looked at pronouns and we said that a pronoun is a word that replaces a noun and we gave examples of pronouns as she, he, they and it. We did mid-term Examinations successfully and most of us passed very well. We begun with mathematics followed by English and Reading, the next day we finished with SST and Science. Thank you very much, that is all I had for you.

Primary Five

By Alazewa Phillip

Last week in mathematics we learnt about measuring angles in clockwise and anti-clockwise directions. We did mid-term Examinations successfully. English was the first paper to be done whereby section A was not easy and I got 67%, 51% in Mathematics, 80% in social studies and 73% in science. I am looking forward to getting 100% in the next Examinations.

Primary One

We wish to extend our sincere thanks to you for the great support you are giving to us. We finished mid-term Examinations successfully. And your child performed as required. We enjoyed some birthdays very well like that one of Kagoma Lynette. She had to sit with Waswa Deo, Kasalirwe Timothy and Tumwebaze Aklin as her best friends, the whole class was happy and thanks Daddy and Mummy Lynette for the good Love and organization exhibited. Keep it up!

The following names are of children who performed and behaved very well during the week.

Reception class

- ✚ Muhairwe Ian
- ✚ Kaweesa Darlington
- ✚ Lugolobi Gordon
- ✚ Makai Lionely
- ✚ Kantinti Sarah
- ✚ Kungu Ronnie

Middle Class

- ✚ Kagoya Bianca
- ✚ Mwesigwa Tezra
- ✚ Atugonza Elisha
- ✚ Namuyomba Roxanna
- ✚ Nanyange Drucilla

P.1

- ✚ Nankanja Evelyne
- ✚ Maviri Arnold
- ✚ Dan Kinamala
- ✚ Aleko Jodana
- ✚ Tumwebaze Aklin
- ✚ Asikei Marvin
- ✚ Aziku Emmanuel

P.4

- ✚ Mbarak Latif
- ✚ Nalunkuma Bridget
- ✚ Kakembo Moses
- ✚ Mulumba Swabahat
- ✚ Kagimu Shamuran
- ✚ Bakkaki Syrus
- ✚ Arinda Dorothy

P.3

- ✚ Tumwebaze Clarity
- ✚ Sava Maria
- ✚ Omoding Wycliff
- ✚ Namata Immaculate
- ✚ Nantongo Tracy
- ✚ Mwanje Marvin

P.2

- ✚ Adeke Tracy
- ✚ Acham Esther
- ✚ Namubiru Sarah
- ✚ Asimwe Anitah
- ✚ Nakame Leticia
- ✚ Nakayika Shallote
- ✚ Nabirye Patricia

Top Class

- ✚ Akidi Faith
- ✚ Okodi Elisha
- ✚ Ariko Ethan
- ✚ Mugume Noah
- ✚ Nakato Irene

P.5

- ✚ Alazewa Phillip
- ✚ Ssemugenyi Solomon
- ✚ Namagga Swabrat
